

**SUMMER
SCHOOL
FESTIVAL**

An inspiring way to spend your summer

Back on campus: 14-23 August 2022!

CURIOUS
U **SUMMER** **SCHOOL**
UNIVERSITY
OF TWENTE.

A circular frame containing a photograph of three young men in a workshop or lab setting. They are gathered around a desk with a laptop. The man in the foreground, wearing a red t-shirt, is focused on connecting wires to a small electronic circuit board on the desk. Two other men are looking on, one pointing at the laptop screen. The desk is cluttered with various electronic components, including breadboards, wires, and small boxes. The background shows a wooden shelving unit.

What is CuriousU?

What is CuriousU?
