

Exam registration for students

All **exams and graded work** must be registered during the exam registration period. (For information on the dates, visit/see the Web page <https://www.student.uni-stuttgart.de/en/exams/deadlines/index.html>).

In addition to exam registration and cancellation, you can search for exams, exam dates and locations (if already known) and manage your own exams.

You can also see in C@MPUS which exam belongs to which module or course.
