Your International Office team at the IZ

## 1. Getting started Checklist

The following checklist makes your start in Stuttgart much easier. We recommend taking the following steps in the order given below.

### ● 1.1 Accommodation

#### **Student housing**

For students of the University of Stuttgart there are two dormitory providers on campus: the Studierendenwerk Stuttgart (SWS) and the VSSW. Booking rooms for couples or families in these dormitories is not possible.

Students who have received their moving-in letter with a room offer [Einzugsschreiben] from Studierendenwerk Stuttgart (SWS) or VSSW need to accomplish several steps upon arrival.

Generally, you can check in into the dormitory only from Monday to Friday and only **during the office hours of the caretaker**. Several dorms, but not all, offer the possibility to check in on the first day of the month from 8 a.m. until 4 p.m. Should the first day of your moving-in month be on a weekend or on a public holiday (April 1, 2024 is a public holiday!), you can only check in on the first following working day. For details please check the moving-in letter [Einzugsschreiben] you have received from the SWS or VSSW. As proof of your identity please present your **passport** and your **moving-in letter** at the caretaker's office [Hausmeisterbüro].

For students moving into a dormitory of SWS, it is possible to have someone collect their room keys before arrival. Therefore it is necessary to send this person an authorization. Please use the form sent along with the moving-in letter.

### IMPORTANT INFORMATION

In case you cannot collect the keys as stated in your moving-in letter [Einzugsschreiben], you will have to arrange an appointment with the respective caretaker [Hausmeister] about 14 days before your arrival. Students who move into a dormitory of VSSW should consider that they have to pick up their dorm key in person (it is not possible to have someone collect your room key before your arrival but with the caretaker of the VSSW you can arrange the deposit of your key in a safe in front of the dorm).

As soon as you have opened your bank account in Germany, please fill in your SEPA direct debit authorization [SEPA-Lastschrift] and hand it in to the caretaker's office in person (or send it by e-mail to your person responsible at the SWS). You should have received the SEPA form together with your tenancy agreement. With the SEPA authorization your monthly rent can be debited automatically from your bank account.

### PLEASE NOTE

All EU-students with a dorm room at the SWS (Studierendenwerk Stuttgart) or the VSSW must open a **German** bank account, too, for the SEPA direct debit authorization [SEPA-Lastschrift]!

New tenants of SWS or VSSW have the opportunity to purchase bed linen and coverlets from the caretaker [Hausmeister] of their student dorm for EUR 65 (availability not guaranteed). This payment is withdrawn automatically from your bank account along with the first payment of rent.

### Internet access in the dormitories

For the following dormitories, you should register with Selfnet e.V. before arrival in order to receive immediate access to the internet: Allmandring, Bauhäusle, Pfaffenhof, Straußäcker, Filderbahnplatz, Alexanderstraße, Anna-Herrigel, Birkenwaldstraße, Brückenstraße, Heilmannstraße, In der Au, Kernerstraße, Landhausstraße, Max-Kade-Haus, Neckarstraße, Rieckestraße, Rosensteinstraße, Theodor-Heuss-Heim, Wiederholdstraße, and Boardinghouse Stuttgart. **For all other dormitories, the internet is already included in the rent and installed.**

With Selfnet, a EUR 9,50 membership fee for the current month is due after registration. Membership does not end automatically, cancellation is possible only at the end of each month.

Here you can find the current office hours of the support: <https://www.selfnet.de/support/contact.html>. Please find frequently asked questions here: [Selfnet e.V. - Selfnet - Support - FAQ](#)

### **Private accommodation**

If you live in a private accommodation, you will also have to sign a tenancy agreement and pay a deposit. Please check with your landlord. In order to register with the residents' registration office, your landlord has to fill in an extra registration form for you [Wohnungsgeber-Bescheinigung].

If you need to look for private accommodation you can check [the information on our homepage](#).

## ● **1.2 Health insurance**

All students are required to show proof of health insurance by the time of enrollment at the latest. Please consider the different requirements for EU and non-EU citizens.

You can register for your health insurance online before arrival or in person upon arrival. Please check the different state health insurance providers below and inform yourself about their offers and services.

For the request of a health insurance you need:

- Your letter of admission [Zulassungsbescheid]
- A passport sized photo (for your health insurance card)
- Your IBAN of your German bank account (can be provided later)

### **Health insurance for citizens from non-EU countries**

Non-EU students under the age of 30 have to purchase a mandatory student health insurance at a state health insurance provider in order to be able to enroll at the University of Stuttgart. This insurance costs about EUR 120 per month and covers most medical and dental costs including hospital treatment. An advantage of this insurance is that the cost of treatment is carried out directly between the doctor and the insurance company. For prescriptions you will have to pay a fee between EUR 5 and EUR 10 at the pharmacy.

After you have taken out a health insurance, the insurance provider will inform the university electronically about your health insurance status before enrollment. This can take some days. If the student portal

C@MPUS shows any error message, please contact your German health insurance provider.

Please consider that there are special rules and exceptions for students from countries with a social security agreement like **Bosnia-Herzegovina, Serbia and Turkey**. Please see **Special rules and exceptions**.

All students under the age of 30 who have already obtained private health insurance through their **scholarship program** (e. g. DAAD scholarship holders) need to contact any state health insurance provider and present a proof of their scholarship award including health insurance. Before they can enroll, a health insurance provider must confirm their exemption from the state health insurance electronically to the university.

All **non-EU students over the age of 30** must take out a private health insurance. Please consult the IO if you need further information. You need to contact any state health insurance provider and present a proof of your private health insurance. Before you can be enrolled, the health insurance provider must confirm with the university electronically that you are exempt from a state health insurance.

### **Delayed entry to Germany**

In case of delayed entry (e.g. due to visa delays), the insurance fees are due retroactively to the beginning of the semester.

### **Health insurance for EU citizens**

As an EU citizen you are required to bring a European Health Insurance Card (EHIC or GHIC) from your insurance provider in your home country. In order to enroll, you will have to get in touch with any state health insurance provider (contact details see below) and notify them about your EHIC or GHIC: send an e-mail with images of the front and back of your EHIC, ask for the digital confirmation for enrollment at the University and write your full name, current address, date of birth, "Universität Stuttgart Keplerstr. 7, 70174 Stuttgart" and April 1st as date on which your studies begin.

As the next step, the German provider needs to transmit this information electronically to the University of Stuttgart. Only then you can be enrolled. Please make sure to always carry your original health insurance card with you. You

#### **PLEASE NOTE**

The student health insurance only comes into effect with the enrollment (at the earliest from October 1 or April 1, when the semester starts). If you arrive earlier, please make sure to be insured temporarily (e. g. travel health insurance).

#### **PLEASE NOTE**

For EU nationals who take on a minijob, a working student job or a paid internship during their studies, a German health insurance is mandatory.

should receive necessary medical treatment at a doctor, dentist, or in a hospital with your EHIC or GHIC. For prescriptions, you will have to pay a fee between EUR 5 and EUR 10 at the pharmacy. If you do **not** have the EHIC or GHIC, you are required to **take out** the mandatory **student health insurance** in Germany

### **Special rules and exceptions**

All those students from countries that have a social security agreement [Sozialversicherungsabkommen] with the EU (**Bosnia-Herzegovina, North Macedonia, Montenegro, Switzerland, Serbia, Turkey, Tunisia, UK**) need to get in touch with any German state health insurance provider (contact details see below) and notify them that they are covered by a social security agreement with their home country. As the next step the German provider needs to transmit this information electronically to the University of Stuttgart. Only then those students will be enrolled.

The social security agreement applies to both exchange and degree-seeking students. Please contact your health insurance provider in your home country to obtain the required proof. It is important that the document is valid for the entire duration of your stay at the University of Stuttgart.

### **Travelling outside of Germany**

If you plan to travel outside Germany we recommend that you take out a travel health insurance for a fee of about EUR 15 - 20 per year (available at most banks or health insurance companies).

#### **PLEASE NOTE**

Regardless of how you are insured: electronic transmission to the University is always conducted via a statutory health insurance company. The transmission process takes up to 5 working days. More information can be found here: <https://www.student.uni-stuttgart.de/en/organizing-studies/formalities/health-insurance/>.

### ● 1.3 Residence registration

Anyone staying in Germany for longer than 90 days is required to register with the residents' registration office [Bürgerbüro] in their place of residence within fourteen days upon arrival. There you will be provided with a confirmation of your registration, the so-called confirmation of registration [Meldebestätigung]. You need this document for opening a bank account and for obtaining a residence permit (if applicable). You can fill out the application form at home and take it to the residents' registration office.

The following documents are required:

- Your passport or ID card
- Registration form [Anmeldung], filled out and signed, available at the IZ, from the caretaker [Hausmeister], at any residents' registration office [Bürgerbüro] or online at [www.stuttgart.de/medien/ibs/meldeschein.pdf](http://www.stuttgart.de/medien/ibs/meldeschein.pdf) (in German only). English instructions for completing the document are available at the International Office.
- Form [Wohnungsgeber-Bescheinigung] = a confirmation that you have moved in, signed by your landlady or landlord, alternatively your moving-in letter [Einzugsschreiben] from the SWS/VSSW.

You have to **register in person at the residents' registration office** in order to get your confirmation [Meldebescheinigung].

Meldeschein

Wohnungsgeber  
-Bescheinigung

In Stuttgart you can go to any residents' registration office. Please check the office hours and current regulations at the relevant [Bürgerbüro] online beforehand. [Addresses of further \[Bürgerbüros\]](#).

Bürgerbüros

#### PLEASE NOTE

If you move, you need to communicate your new address. Should you move to another city, you need to register there with the city administration. They will automatically de-register your former address.

Non-EU students who need to apply for a residence permit can only do so at the city where they are currently registered. The responsibility of the foreigners' registration office changes with the registration at a new place of residence.

#### Some Addresses in Stuttgart:

- Office of public order – main office [Amt für öffentliche Ordnung] Residents' registration office city center [Bürgerbüro Mitte], 2nd floor Eberhardstr. 39 (take U 1 or U 2 or U 4 and get off at Rathaus)
- Residents' registration office Vaihingen [Bürgerbüro Vaihingen] Rathausplatz 1 (take bus 82 and get off at Vaihinger Rathaus)

#### 14 days trial ticket (public transport)

New citizens can travel free of charge in the VVS network for 14 days after their registration at the residents' registration office. This requires a stay of minimum six months and a minimum age of 18. The ticket can be downloaded and printed after registration at the residents' registration office via a coupon code. **You may ask for the code at the residents' registration office.** The starting date of the ticket can be chosen freely, you can get it at the [SSB Ticket shop](#) [SSB-Schnupperticket für Neubürger]

### ● 1.4 Opening a bank account

If you are a **non-EU** student, you **must** have a German bank account, a so-called personal current account [Girokonto], to pay bills and participate in the direct debit procedure, which means that the money will be taken out of your account automatically at the right time. The rent of the student dorm as well as your health insurance can only be paid by using the direct debit procedure.

All **EU-students** must have a **German** bank account too in case they have a dorm room at the **SWS** (Studierendenwerk Stuttgart) or the **VSSW** for the SEPA direct debit authorization [SEPA-Lastschrift]!

### **Local bank versus online bank**

You can open a personal current account in person at either a local bank or an online bank [Direktbank]. Usually, you can open a bank account at an online bank rather promptly. However, they offer online or hotline support only, whereas, at a local bank, you will have immediate support in person if you experience problems.

Please consider informing yourself about the process of opening an account with the local bank of your choice. Some banks might have the option of opening a bank account online instead of appointments in person.

### The following documents are required:

- Proof of your residence registration (see chapter 1.3 above)
- Passport (Non-EU students) or identity card (EU-citizens)
- Letter of admission from the University of Stuttgart (in order to get a student bank account)
- University enrollment certificate (can be provided later)
- Non-EU citizens: Visa or residence permit (can be provided later)

- Deutsche Bank, [www.deutsche-bank.de/ms/pc/home.html](http://www.deutsche-bank.de/ms/pc/home.html) (with the Deutsche Bank, you can apply online and bring your original documents later to the local branch office)

#### **PLEASE NOTE**

When withdrawing cash from another bank, you may be charged extra fees! Please inform yourself when opening a bank account which cash machines you can use and how many times you can take out money for free.

Upon opening a current account, you will receive a bank card with which you can withdraw cash without charge 24/7 from any of your bank's ATMs.

### Do you have a blocked account?

Please follow the instructions given by your bank. Additionally, we recommend that you open a regular personal current account that has no limitations. You may transfer the maximum monthly amount from your blocked account by standing order to your regular current account. Then you will be able to carry out transfers and authorize the SWS/VSSW to withdraw your monthly rent. Fill out the SEPA direct debit authorization form [SEPA-Lastschrift] obtained by the caretaker ([Hausmeister]) for the payment of your rent. Please hand it in to your [Hausmeister] as soon as possible (or send it by e-mail to your person responsible at the SWS/VSSW).

### **Do you already have a bank account within a European country?**

We still recommend that you open a German bank account. Only if you definitely do not need to use the direct debit procedure (see above) and you are in Germany for only a short time, it might not be necessary to open a bank account.

#### **IMPORTANT**

All EU-students **must** have a German bank account too in case they have a dorm room at the SWS or VSSW for the SEPA direct debit authorization [SEPA-Lastschrift]!

## ● 1.5 Residence and work permit

As a rule, non-EU citizens have to apply for a residence permit at the latest one week before their **entrance visa** expires. You need to do so at the foreigners' registration office at the place of your registered residence. The residence permit is called eAT ([elektronischer Aufenthaltstitel] = electronic residence permit).

## PLEASE NOTE

Due to the high workload of the foreigners' registration office, a fictitious certificate [Fiktionsbescheinigung] is often issued instead of an eAT when students send their complete application for a residence permit by e-mail. The document can confer the same rights as an eAT if no restrictions are added. The [Fiktionsbescheinigung] is usually issued without prior information by postal mail shortly before the expiration of the current visa or residence permit.

The production of your eAT takes about twelve weeks. When applying for your eAT, the foreigners' registration office will let you know when you will receive it. Meanwhile the foreigners' registration office provides a preliminary confirmation of an authorized residence permit [Vorläufige Bescheinigung über einen bewilligten Aufenthaltstitel]. The eAT usually consists of a chip card and the supplementary sheet.

There are important data of your chip card on the supplementary sheet, e. g. the temporary residence permit. We recommend that you always carry this supplementary sheet with you. After the eAT has been issued, you will receive a PIN letter with information about your eAT and the online identification function. You can decide whether you want to use the online identification function. It is not mandatory to activate this feature.

In case of a move, the foreigners' registration office at the new residence becomes responsible on the day you register your new address with the residents' registration office. Unfortunately, it can take a few days to several weeks for the documents to be transmitted from one authority to the other. If the application for the residence permit coincides with the move, we recommend that you arrange the extension of the residence permit in good time at the last place of residence.

### **Non-EU citizens who require an entrance visa**

Students from countries for which an entrance visa is required must have a student visa issued by the German embassy in their home country. If your visa does not cover the whole period of your stay, you need to apply for a residence permit/eAT with the foreigners' registration office [Ausländerbehörde] of your place of residence upon arrival. Required documents see below.

## Non-EU students who do not require an entrance visa

Citizens from, for example, Australia, Brazil, Canada, Japan, South Korea, UK and the USA may enter Germany without a visa. However, you have to apply for a residence permit/eAT at your place of residence **upon arrival**.

### IMPORTANT INFORMATION

The foreigners' registration office is understaffed at the moment. It can take a long time to get an answer and an appointment to apply for a residence permit: We strongly suggest you to **send your documents via e-mail** to the foreigners' registration office [Ausländerbehörde] in order to apply for a residence permit. Add a note that you want to apply for a residence permit for the first time: The [Ausländerbehörde] will send you after several weeks a [Fiktionsbescheinigung] by letter post (or give you an appointment to apply for a residence permit).

We are happy to provide you with an **e-mail template** in order to apply for a residence permit, just contact us at [incoming@ia.uni-stuttgart.de](mailto:incoming@ia.uni-stuttgart.de)

### You need to send the following documents to the foreigners' registration office via e-mail:

- Completed and signed application form for a residence permit
- A copy of your passport with your visa (if applicable)
- A biometrical photo (see below)
- Letter of admission [Zulassungsbescheid] from the University of Stuttgart
- Proof of sufficient funds (minimum EUR 934 per month) e. g. a bank statement from a German account or a scholarship letter
- Health insurance confirmation [Versicherungsbescheinigung] from a German health insurance provider
- Confirmation of registration [Meldebestätigung] (see residence registration)
- EUR 100 handling charge (DAAD-scholarship holders need their scholarship confirmation for a waiver)

Application for a residence permit

**Biometrical photos** are special photos required by the foreigners' registration office [Further information](#).

You can find a guideline on the application for a residence permit as well as all required forms [online](#). (Go to: Formulare > Application for a residence permit).

Depending on your **family name** send the documents requested to the following e-mail:

Letter A - E: [auslaenderrecht.ae@stuttgart.de](mailto:auslaenderrecht.ae@stuttgart.de)

Letter F - M: [auslaenderrecht.fm@stuttgart.de](mailto:auslaenderrecht.fm@stuttgart.de)

Letter N - Z: [auslaenderrecht.nz@stuttgart.de](mailto:auslaenderrecht.nz@stuttgart.de)

Due to the current high workload, it can take up to several weeks to get an answer, please do **not** resend your request several times.

### Important note for Non-EU citizens

If you wish to leave Germany temporarily, make sure that your passport and residence permit are still valid for the duration of your stay abroad and allow you to re-enter the country. Re-entry is not possible upon stays abroad lasting longer than six months. You need to apply for a certificate of non-expiration [Bescheinigung über das Nichterlöschen eines Aufenthaltstitels] when leaving Germany for more than 6 months.

### Work permit

Students who are EU citizens can work a maximum of 20 hours per week in accordance with the applicable laws for German students. Non-EU-Students may only work in accordance to their visa or residence permit (normally 140 full days or 280 half days maximum per calendar year and in addition as a Hiwi at the University).

## ● 1.6 Registration at the university

### First enrollment steps for all students

Please log into your account at [campus.uni-stuttgart.de/](https://campus.uni-stuttgart.de/) and open your application:

Therefore **we recommend you to start the enrollment process while you are still abroad**. While the Office for Application, Admission, Enrollment is checking your application for enrollment, you are able to check its status in C@MPUS.

After your arrival in Stuttgart make sure to **update your address** in your C@MPUS account to your address in Germany. It is important that your name is written on your letter box, otherwise postal mail will not be delivered.

#### PLEASE NOTE

Your student ID will only be produced and sent to you via postal mail if you entered a German address in your C@MPUS account.

Once your enrollment becomes effective, you will be able to download the certificate of enrollment from the C@MPUS system. From the second semester onwards, you can download the semester badge from C@MPUS. You also will be able to download your enrollment certificates and your semester grades from C@MPUS.

In case you have technical questions concerning C@MPUS, please contact: [support@campus.uni-stuttgart.de](mailto:support@campus.uni-stuttgart.de).

### Some examples of tickets

#### SSB/VVS 14 days trial ticket

New citizens can travel free of charge in the VVS network for 14 days after their registration at the residents' registration office – if they stay at least six months and are 18 years or older. The trial ticket [14-Tage-

Schnupper-Ticket] can be downloaded and printed after registration at the residents' registration office via a **coupon code**.

**Please note:** You will have to ask for the code at the residents' registration office (see p. 7) and finally redeem the voucher online at the [SSB Ticket shop](#). The starting date of the ticket can be chosen freely.

### Deutschlandticket

This [ticket](#) for the **whole local** public transport in **Germany** is only available online and as an standing order [Abonnement] for EUR 49,- per month. Please note it is not valid in long-distance trains. In comparison to the Deutschlandticket JugendBW (see below) this ticket is a bit more expensive but there is no age limit and it can be cancelled monthly. You can buy the Deutschlandticket **without any proof** of being a student.

**Please note:** you can buy the ticket online through the websites or the apps of the Deutsche Bahn (DB) or the SSB. If you buy the ticket through the apps, you can buy it even for the current month (but you will still have to pay the whole price). Payment is usually done through SEPA-direct debit [Lastschriftmandat] from your bank account.

### Deutschlandticket JugendBW

Only as soon as you are **officially enrolled** at the University of Stuttgart it is possible to purchase the so called [Deutschlandticket JugendBW](#) for students (without solos). This ticket only comes into effect on April **1** at the earliest! Young people **under 27** can travel within the whole VVS network and use the local public transport in Baden-Württemberg for EUR 30,42 per month (**only** as a subscription for one year).

**Please note:** If you cancel the contract for this ticket within the first year, the price advantage will no longer apply (you would pay EUR 49,- per month instead of EUR 30,42).

### Night buses

Night buses operate every night. Most depart from the station "Schlossplatz" between 1.20 a.m. and 3.40 a.m. in various directions. The [S-Bahn] operates once an hour on each line in the nights between Friday to Saturday and Saturday to Sunday and before holidays. Please refer to the time table of [Nachtverkehr \(vvs.de\)](#)

## Summer 2024 [Stammstreckensperrung]

From July 27 to September 7, 2024, the S-Bahn does not operate between the stops "Hauptbahnhof", "Universität" and "Österfeld". As a replacement, buses operate between the main station and Campus Vaihingen as well as between Vaihingen train station and Campus Vaihingen. In both cases, buses stop at "Haltestelle Universität (Schleife)" near Universitätsstr. 38 (Computer Science). ### ● 1.8 Broadcasting service fee (GEZ)

The so-called [Rundfunkbeitrag] (broadcasting service fee) is a mandatory fee for receiving the state-funded radio and TV programs. It has to be paid by every household even when you don't take advantage of those programs. The fee is approx. EUR 18,- per month. If you share an apartment, you can also share the broadcasting service fee. You or one of your flatmates must register with the so-called "ARD ZDF Deutschlandradio Beitragsservice". The non-paying members do not have to personally register but have to inform the agency that their fee has already been paid under the registered person's fee account number. More information and the registration/ deregistration forms which need to be sent online are available at [Der Rundfunkbeitrag - English](#). Students living in the student dormitory, please also check [the Broadcast Service Information](#).

### ● 1.9 Personal liability insurance

Unlike health insurance, personal liability insurance is not compulsory in Germany. However, we strongly recommend to get it. This insurance covers damage you cause to persons or objects (e.g. a rented apartment), sometimes including even the loss of keys. The price ranges from EUR 40 to EUR 90 per year, depending on your family status. You can take out the insurance with a bank, an insurance company or online. Up-to-date price comparisons can be found online with the search term [Versicherungsvergleich Haftpflichtversicherung].

#### Semester break and holidays [Vorlesungsfreie Zeit]

The time between lecture periods is called [vorlesungsfreie Zeit], but it should not be considered as a holiday period since there are often exams, compact courses and excursions. Many offices of the university are closed or have shorter office hours. Between Christmas Eve (December 24) and Epiphany (January 6), there are no lectures. During the summer semester, there is usually a one week break after Whitsun (in May or June). If you want to travel or participate in an internship during the [vorlesungsfreie Zeit], you should check the dates of your exams or deadlines before planning your trips.

[Mensen und Cafeterien]

## Free WiFi on campus

- On campus and at other facilities of the University of Stuttgart students can connect to WiFi via eduroam. **Eduroam** is an international roaming service for users in research and higher education. Students from universities connected to eduroam are able to get access through their student account of their home university.
- Students without access to eduroam may select the network **uni-stuttgart-open** from the list of available WLANs. After connecting for the first time users are automatically redirected to a login portal where they must confirm the ICT terms and conditions. This confirmation activates internet access for the next eight hours. After that this must be repeated.
