**Tip:**
The best way to find information on how to get there is by visiting www.vvs.de or by using the apps of VVS or SSB.
Internet access in the dormitories
In each dormitory internet access is available in the rooms. To use it, an extra fee of EUR 7 per month is charged by the student association Selfnet e.V. (www.selfnet.de). Selfnet e.V. manages the internet affairs for most dormitories (e.g. Allmandring, Heilmannstraße, Pfaffenhof, Straußäcker, Filderbahnplatz).

If you live in one of the dorms supported by Selfnet e. V. you should register online in order to use the internet: https://registrierung.selfnet.de/

Tip:
Register online before you move in, preferably one day before your moving in date. You are then able to use the internet immediately upon moving in. You still need to go to one of the Selfnet e. V. offices in person within 14 days after your moving in date. Although most of the dormitories offer Wi-Fi, it is recommended to bring a LAN cable, since it makes it easier to connect your electronic device for the first time.

Offices of Selfnet e.V.: Allmandring 8 a (basement), Holzgartenstr. 9a (1st basement), Rosenbergstr. 68 (1st basement, across from the elevator), Heilmannstr. 4 b (entrance to the right side) and Filderbahnplatz 35 (basement). Further information and office hours see: www.selfnet.de/support/contact.html

For information on the broadcasting service fee [Rundfunkbeitrag] which is a mandatory fee for receiving internet, TV and radio, see our welcome checklist.

Private accommodation in Stuttgart

It is not easy to find reasonably priced private accommodation in Stuttgart. For information go to: uni-stuttgart.de/io-housing

You can also search online for a room in a shared apartment:
On these websites you can find offers but also publish your room hunting.

- www.wg-gesucht.de
- www.wg-suche.de
- www.vierwaen.de
- www.studierendenwerk-stuttgart.de/privatzimmervermittlung
- www.immobilienscout24.de

Furnished flats or rooms for a few weeks or months can also be found at:
www.stuttgart-tourist.de + keyword [Ferienwohnung]

The most common online portal used by students is: www.wg-gesucht.de
Useful tips for applying for a room via wg-gesucht.de:
1. Use the filter function. Consider cities around Stuttgart (Böblingen, Esslingen, Ludwigsburg) or districts of Stuttgart outside of the city center (with the VVS StudiTicket you can use the whole train network system). For the people in the Stuttgart region commuting 30 to 40 min is rather common.
2. Try to apply for new room listings within the first two hours of publishing: it helps if you use the automatic notification function if there is a new offer fitting to the filter you have set. It is also helpful to download the app.
3. Prepare an application template so you can react quickly! Write about 200 words. If you show that you are the kind of person they are looking for, you are more likely to get the apartment.

Ads for shared apartments [Wohngemeinschaften, WGs], as well as for other rooms and apartments can be found in the following newspapers and online papers:
• Stuttgarter Wochenblatt (or check online) is delivered on Thursday afternoons without charge, but can be purchased Thursday mornings at newspaper stands.
• Stuttgarter Zeitung and Stuttgarter Nachrichten share the same ads section. Ads for apartments are usually printed on Wednesdays and Saturdays. http://immobilien.stuttgarter-zeitung.de/

Some important abbreviations in the ads:
NK [Nebenkosten] utilities, usually include: [Heizung] heating, [Wasser] water, [Hausmeister] caretaker, [Müll] garbage disposal
WG [Wohngemeinschaft] shared apartment
NR [Nichtraucher] non-smoking
WM [Warmmiete] heating included in utilities
KM [Kaltmiete] additional costs/utilities are not included

Please note:
Not all housing offers in the internet are reliable, be aware of frauds! More information: uni-stuttgart.de/apartment-frauds

Internships

[Praktika]

Some degree programs require that you complete one or more internships [Betriebspraktika] before you graduate. The Internship Office [Praktikantenamt], address see online www.student.uni-stuttgart.de/en/organizing-studies/internship/, provides
you with general information. However, you are responsible for finding an internship yourself. 

Exchange students from overseas, who are interested in doing an internship following their studies at the University of Stuttgart need to contact the International Office at the beginning of June for placements in the winter semester or at the beginning of December for placements in the summer semester. The tips in work permit and how to find a job on page 28 could also be helpful.

● Additional information brochures

The following brochures also help you to find your way around the University of Stuttgart:

• stuvus calendar, issued by the student representation stuvus as a guide through the academic year, stuvus office: Pfaffenwaldring 5c, 70569 Stuttgart

• Wegweiser für StudienanfängerInnen, a guide for new students published by the Student Counseling Center [Zentrale Studienberatung/ZSB], available only in the winter semester: House of Students, Pfaffenwaldring 5c, 1st floor, 70569 Stuttgart

● Important formalities during and at the end of your studies

The completion of several important formalities is required during and at the end of your studies. See uni-stuttgart.de/reregistration for information regarding necessary formalities including:

• Re-registration [Rückmeldung] each semester if you want to continue studying

• Exmatriculation if you leave the university

• Cancellation of your tenancy agreement – for the refund of your deposit charged by Studierendenwerk Stuttgart/VSSW, please see below.

• De-registration at the [Bürgerbüro] or extension of your residence permit

• Cancellation or extension of your health insurance – make sure to contact your health insurance provider before exmatriculation!

• De-registration at the ARD ZDF Deutschlandradio Beitragsservice (GEZ)

• Closing your German bank account

Moving out of student housing and refund of deposit

Please make an appointment with the caretaker [Hausmeister] for the day you are moving out. He will check your room for damage before you leave (check-out only possible from Monday through Friday).
If your room is fine you will receive the refund by bank transfer. This might take up to six weeks.

Deposit back in cash? That’s how it works at Studierendenwerk Stuttgart:

Students can have their deposit paid out in cash by filling out a consent form for payment of the rental deposit via barcode: see QR code on the right site.

If the deposit is paid out by barcode, you will need the check-in slip and the confirmation that your own German bank account has been closed. All documents required for this must be e-mailed to Ms. Colak (y.colak@sw-stuttgart.de).

The barcode is then sent by email to you and can be redeemed at all partners of Barzahlen.de once it has been received. You can find the contact points or partners at www.barzahlen.de.

Important:
Please bring the following documents to the appointment:
- Laufzettel (a confirmation from your caretaker stating that your room has been checked)
- A confirmation from your bank that you have closed your German bank account (necessary for students from non-SEPA-countries)
Without these documents you cannot get the deposit back in cash.

Refund of deposit from VSSW:
The VSSW does not offer the possibility to get the deposit back in cash.
The bank details necessary for the transfer must be uploaded to the VSSW tenant’s online account.

Degree students from all other nations who have got a student visa are allowed to work a maximum of 20 hours per week as a student assistant [studentische Hilfskraft/Hiwi] at the university or 120 full days (more than four hours per day) or 240 half days (up to four hours per day) per calendar year outside the university. Combinations of both are possible.

Non-degree students including exchange students
Please consider that exchange students (non-degree students) who study in a Bachelor’s program are not entitled for a Hiwi position. However, as a graduate student you are eligible for a position as a research assistant, see further information in the box above.

Where you can find jobs

**Formalities**

Your employer will ask you for an (electronic) tax card [elektronische Lohnsteuerkarte or Ersatzbescheinigung]. If you take up work in Germany for the first time, this tax card is available at the tax office (Finanzamt, Stuttgart: Rotübühlplatz 30). You also need a social security number [Sozialversicherungsnummer] which you can apply for through your state health insurance provider.

If you are single and do not have children, you may earn up to EUR 450/month without having to pay tax and contributions towards social insurance (e.g. unemployment or pension insurance). If you pay tax, you may get (part of) it back if you apply for a tax back through an income tax statement. Further information you will find at the online tax office www.elster.de/eportal/start Elster [de] or the tax office of the place where you live. In Stuttgart, please call on the information desk of the www.fastuttgart1.de/pb,,Lde/Startseite”Finanzamt Stuttgart [de]. QR Codes zu Elster und Finanzamt.

- **Medical care/psychological counseling**

German universities do not provide medical service on campus. Doctors, dentists, and hospitals can be found online at: www.arztsuche-bw.de. This website also gives you information on doctors who speak other languages than German. Please use the button [Zur erweiterten Suche] and choose your language in the search criteria [Fremdsprache].

Generally speaking you have to make an appointment to see a doctor in case you are ill. Some general practitioners also have open office hours. In case of an emergency at night or on weekends you can go to the **Emergency Medical Service** at the Marienhospital.

In order to receive treatment you need to either present your health insurance card from one of the state health insurance providers, your EHIC or GHIC, or show the certificate from your private health insurance company. State health insurance providers pay the medical treatment directly to the doctor/hospital. Private insurances have a different payment system. Usually you will have to pay the bill first and ask for reimbursement at the health insurance provider. Make yourself familiar with the specific regulations of your own health insurance before you see a doctor.

Prescribed medication can be picked up at any pharmacy/chemist’s [Apotheke]. If you have mandatory student health insurance you usually have to pay a contribution between EUR 5 and EUR 10 for each prescription. In case of private insurance, the company might also pay for all prescribed medication. Check your contract.

**Psychological counseling** for students is offered by the counseling center of the Student Services [Studierendenwerk Stuttgart] free of charge (in German and English). For appointments please call: Tel. 0711 9574-480
You need to find a doctor? You have a medical or psychological issue? Please contact the International Office for advice (see page 5 and 6). Anything you tell us will be treated confidentially. Together we can always find a way!

Every enrolled student is statutorily covered by accident insurance free of charge. The coverage applies during straight walk to the university or back, when attending lectures and seminars, during other activities run by the university such as visits, workshops and sports, when visiting the library or sports program from the university, when participating in trips organized by the university including those abroad, when participating in student council or stuvus activities.
