Loss or theft of your passport
Should your passport have been lost or stolen, you must report it to the Foreign Registration Office. They will issue a temporary residence permit (Fiktionsbescheinigung) and a form with which you must apply for a new passport at the embassy or consulate of your home country in Germany. Should your passport have been stolen you also have to report to the police.

Loss or theft of your student ID card
If you lose your student ID card you need to have it deactivated as soon as possible by the Admissions Office. In order to block it and get a new one you will be charged EUR 10 and you will need to supply a new passport photo.

Please note:
In case you are in trouble, please contact the IZ immediately!
The following checklist makes your start in Stuttgart much easier. Please be sure to take the following steps in the order given below. This will save yourself time, money and frustration.

1 Accommodation/deposit

Student housing

Students who have received their moving-in letter with a room offer (Einzugs-schreiben) from Studierendenwerk Stuttgart (Student Services) need to accomplish several steps upon arrival. Please consider the different procedure for exchange students and participants of our international Master’s programs.

All international students – except for international program and exchange students:

- Go to the caretaker’s office (Hausmeisterbüro, address see your moving-in letter) to receive your dorm key – prerequisite: you have transferred your deposit of EUR 400 and e-mailed your signed tenancy agreement to Studierendenwerk Stuttgart by the deadline given in your moving-in letter
- As proof of your identity please present your passport and a copy of your tenancy agreement

Exchange students from overseas, participants of our Double Master’s and international Master’s programs:

- Go to the caretaker’s office (Hausmeisterbüro, address see moving-in letter) and receive your dorm key – prerequisite: you have transferred your deposit of EUR 700 (including a rental share of EUR 300) to Studierendenwerk Stuttgart by the deadline given in your moving-in letter. The Hausmeister will provide your tenancy agreement on-site which you have to sign.
- As proof of your identity please present your passport and a copy of your tenancy agreement

How to pay your rent (applicable to all international students)

- As soon as you have opened your bank account in Germany please fill in your SEPA direct debit authorization (SEPA-Lastschrift) and hand it in to the caretaker’s office. You should have received the SEPA form together with your tenancy agreement. Otherwise you can ask the responsible clerk at Studierendenwerk Stuttgart (for e-mail address see tenancy agreement) to send you a new one.
- With the SEPA authorization your monthly rent can be debited automatically from your bank account.

If you are an exchange student from overseas you have the opportunity to purchase bed linen and coverlets from the Hausmeister of your student dorm for EUR 50 (no availability guaranteed). This payment is withdrawn automatically from your bank account along with the first payment of rent. For participants of the international Master’s programs bed linen and coverlets are already included in the room rent.

If you would like to authorize someone else to pick up your dorm key, this person will need the authorization form you have received from Studierendenwerk Stuttgart together with your moving-in letter. Please fill in this form. E-mail it together with a copy of your signed tenancy agreement to the authorized person.

Important:

- In all student dormitories you can only move into your room during the office hours of the respective Hausmeister! Regular office hours are listed on page 27.
- On the moving-in days, the Hausmeister offices in Vaihingen have extended office hours. You can find the exact times in your moving-in letter from the Studierendenwerk (Einzugs-schreiben).
- You can move into your dorm room only from Monday to Friday. Should the first day of your moving-in month be on a weekend, you can move in on the first following working day.

Please note that booking rooms for couples or families is not possible.

Please check the moving-out date in your tenancy agreement. If it is incorrect, please contact the Studierendenwerk Stuttgart (see page 27 for the address) or the IZ (exchange students) immediately.
Private accommodation
If you live in a private accommodation, you will also have to sign a tenancy agreement or pay a deposit. Please check with your landlord. In order to register with the residents’ registration office, your landlord has to fill in an extra registration form for you (Wohnungsgeber-Bescheinigung). If you need to look for private accommodation you can check our information on page 29 or on our homepage: www.uni-stuttgart.de/en/study/living-in-stuttgart/housing

Health insurance
By the time of enrollment all students are required to show proof of health insurance. Please consider the different requirements for EU and non-EU citizens.

For the request of a health insurance you need:
• To be accepted (Zulassungsbescheid) as a Bachelor’s, Master’s or exchange student
• A passport sized photo (for your health insurance card)
• Your IBAN, only from German bank accounts (can be provided later)

Health insurance for citizens from non-EU countries
Non-EU students under the age of 30 have to purchase a mandatory student health insurance at a state health insurance provider. This insurance costs about EUR 110 per month and covers most medical and dental cost including hospital treatment. An advantage of this insurance is that the cost of treatment is carried out directly between the doctor and the insurance company. For prescriptions you will have to pay a fee between EUR 5 and EUR 10 at the pharmacy.

All students under 30 years who have already obtained private health insurance through their scholarship program (e.g. Erasmus Mundus students) must get an exemption from the obligation to have mandatory student health insurance (Befreiungsbescheinigung), which is required for the enrollment.

Please note:
The student health insurance only takes effect while enrolled at the university (at the earliest from October 1 or April 1, when the semester starts).

All non-EU students over 30 years of age must take out a private health insurance. For further information please contact the IZ.

Health insurance for EU citizens
As an EU citizen you are required to bring an European Health Insurance Card (EHIC) from your insurance provider in your home country. You will need an electronic copy (scan) of this EHIC. In order to enroll, you will have to upload it to the application platform C@MPUS after your arrival. Please make sure to always carry the original card with you. You will receive necessary medical treatment at a doctor, dentist or in hospital with your EHIC. For prescriptions you will have to pay a fee between EUR 5 and EUR 10 at the pharmacy. If you do not have the EHIC Card, you are required to take out a student health insurance.

Please note:
EU nationals who take on a mini-job, a work-student job, or a paid internship during their studies must take out a compulsory German health insurance.

Special rules and exceptions
All those students from countries that have a social security agreement (Sozialversicherungsabkommen) with the EU (like Turkey, Bosnia and Serbia) need to present a copy of their current health insurance to a German state health insurance provider (e.g. AOK, TK). Then they will receive an exemption from the obligation to have mandatory student health insurance (Befreiungsbescheinigung), which is required for the enrollment.

The A/T 11 Social Security Agreement applies to both exchange and degree-seeking students. Please contact your health insurance provider in your home country to obtain the necessary form. It is important that the document is valid for the entire duration of your stay at the University of Stuttgart. One must submit this document to a German health insurance company in order to obtain the exemption confirmation.

Travelling outside of Germany
If you plan to travel outside Germany we recommend that you take out a travel health insurance for a fee of about EUR 15 (available at most banks or health insurance companies).

Residence registration (Anmeldung am Wohnort)

Everybody staying in Germany for longer than 90 days is required to register with the residents’ registration office (Bürgerbüro) in their place of residence within fourteen days upon arrival. You will be provided with a confirmation of your registration, the so-called Meldebestätigung. You need this document for opening a bank account.

The following documents must be provided:
• Your passport or ID card

4 Opening a bank account
You must have a German bank account, a so-called personal checking account (Girokonto), in order to pay bills and participate in the direct debit procedure, which means that the money will be taken out of your account automatically at the right time. The rent of the student dorm as well as your health insurance can only be paid by using the direct debit procedure.
You can open a personal checking account in person at a local bank or at an internet bank (= Direktbank). Usually at an internet bank you can open a bank account rather promptly. However, they offer hotline support only. Whereas at a local bank you will have immediate support in person if you experience problems. When opening a bank account at a local bank though, you will usually need an appointment and you may have to wait up to three weeks time. All local banks offer online banking.
When opening a bank account, you will need:

- Proof of your residence registration (see page 16)
- Your passport (EU: identity card)
- Letter of admission from the University of Stuttgart in order to get a cheaper bank account designed for students

Usually it is possible to hand in your residence permit and your enrollment certificate of the university at a later point.

Examples (no recommendations!) for internet banks (solely online banking):

- Comdirect, www.comdirect.de
- DKB, www.dkb.de
- ING, www.ing-diba.de
- Norisbank, www.norisbank.de
- N26, https://n26.com/de-de

Examples (no recommendations!) of big local banks, which also have an office in Vaihingen:

- BW-Bank (Sparkassen-Gruppe), www.bw-bank.de
- Commerzbank, www.commerzbank.de
- Deutsche Bank, www.db.com
- Postbank, www.postbank.de
- Volksbank-Raiffeisenbank, www.vr.de

Upon opening a checking account, you can order a bank card with which you can withdraw cash without charge 24/7 from any of your bank’s ATM.

Attention! When withdrawing cash from a bank other than yours you may be charged extra fees! Please inform yourself when opening a bank account which cash machines you can use and how many times you can take out money for free.

Do you have a blocked account?

Please follow the instructions given by your bank. Additionally, we recommend that you open a regular personal checking account that has no limitations. You may transfer the maximum monthly amount from your blocked account by standing order to your regular checking account. Then you will be able to carry out transfers and authorize the Studierendenwerk Stuttgart to withdraw your monthly rent. Fill out the SEPA direct debit authorization form (SEPA Lastschrift obtained by the Hausmeister) for the payment of your rent. Please hand it in to the Hausmeister of your dormitory as soon as possible.

Do you already have a bank account within a European country?

We still recommend that you open a German bank account. Only if you definitely do not need to use the direct debit procedure (see above) and you are in Germany for only a short time, it might not be necessary to open a bank account.

5 Residence permit

(Aufenthaltserlaubnis eAT)

As a rule, non-EU citizens have to apply for a residence permit. The document is called eAT (elektronischer Aufenthaltstitel = electronic residence permit). We strongly recommend that you apply for your eAT within the first two weeks of your arrival. The production of your eAT takes about four weeks. When applying for your eAT, the residents’ registration office will let you know when you can pick it up. The eAT usually consists of a chip card and the supplementary sheet.

Important:

There are important data of your chip card on the supplementary sheet, e.g. the temporary residence permit. We recommend that you always carry this supplementary sheet with you.

Prerequisite for the enrollment at the university is your residence permit (eAT). However, your eAT is not available by the time of enrollment. Thus the foreign registration office in Stuttgart provides you with a preliminary confirmation of an authorized residence permit (Vordilufige Bescheinigung über einen bewilligten Aufenthaltstitel) after you have applied for your eAT.

In the following a distinction is made between non-EU citizens who do not require an entrance visa for Germany and non-EU citizens who require an entrance visa.

Non-EU citizens who require an entrance visa

Students from countries for which an entrance visa is required must have a student applicant visa or a student visa which has been issued by the German embassy in their home country.
If your visa does not cover the whole period of your stay, you need to apply for a residence permit (eAT) at the foreign registration office Ausländerbehörde of your place of residence upon arrival. In Stuttgart this is located in Eberhardstr. 39, 1st floor. Address see page 17. You need an appointment which you can arrange online: https://stuttgart.de/item/show/318412/1. Required documents see below.

Exception for exchange students: If your visa covers the whole period of your stay you do not need to apply for a residence permit (eAT).

Non-EU students who do not require an entrance visa
Citizens from, for example, Australia, Brazil, Canada, Japan, South Korea and the USA may enter Germany without a visa. However, you have to apply for a residence permit (eAT) at your place of residence upon arrival. In Stuttgart you are required to arrange an appointment with the foreign registration office online: https://stuttgart.de/item/show/318412/1

The following documents must be provided for the foreign registration office:

• Completed and signed eAT application form
• Your passport
• One biometrical photo (see page 21)
• Letter of admission (Zulassungsbescheid) from the University of Stuttgart
• Proof of sufficient funds (minimum EUR 853 per month) e.g. a bank statement from a German account or a letter of award from a scholarship organisation
• Health insurance certificate (Versicherungsbescheinigung) from a German health insurance provider
• EUR 100 handling charge – exchange students need a written confirmation issued by the International Office for a waiver

Address in Stuttgart:

• Foreign registration office (Ausländerbehörde), 1st floor
  Eberhardstr. 39 (take U 1 or U 2 or U 4 and get off at Rathaus)
  Office hours: Mon, Tue, Wed, 8:30 am–1 pm, Thu 1 pm–6 pm, Fri 8:30 am–12 pm
  Tel. 0711 216-91857 or -91856

Please note:
If you wish to leave Germany temporarily, make sure that your passport and residence permit are still valid for the duration of your stay abroad and allow you to re-enter the country. Re-entry is not possible upon stays abroad lasting longer than six months. We strongly recommend that you contact the International Office or the foreign registration office, if you wish to leave Germany for more than just a few weeks.

Biometrical photos are special photos required by the foreign registration office and must be taken by a photographer. Ask for addresses of photographic shops at the IZ. Ordinary passport photos do not fulfil the criteria of biometrical photos. Further information: www.student.uni-stuttgart.de/studienbeginn/document/Requirements_for_biometrical_passport_pictures.pdf

Work permit
Students who are citizens of EU countries can work a maximum of 20 hours per week in accordance with the applicable laws for German students. Students with other nationalities may only work under certain conditions. For further information and on how to find a job, please refer to page 43.

TestDaF students from non-EU countries attending the German course for study preparation are not allowed to work during the course.

Exception: Exchange students have to pay a reduced semester contribution of approx. EUR 120. They are exempt from paying the tuition fee.

Please note: In addition to the semester contribution TestDaF students are charged a course fee for the TestDaF classes. The enrollment will be completed after the course fee has been paid. Further information will be given in class.

Please note: On C@MPUS you will find payment details for transferring money. Please enter these details onto your transfer slip or online banking form precisely as indicated. Mind the blank spaces!

• Print the application for enrollment and sign it.
• While the Admissions Office is checking your application, you are able to check its status in C@MPUS. Once your payment has been received and your passport photo has been uploaded, you will be able to download the certificate of enrollment from the C@MPUS system.

You have to submit the following documents to the Admissions Office:
• Application for enrollment
• Proof of health insurance (copy) or a valid EHIC (European Health Insurance Card) for EU citizens

Important:
Non-EU citizens who have submitted a preliminary confirmation of an authorized residence permit to the Admissions Office will be enrolled at the university for three months.

For your final enrollment you are required to present your eAT within these three months. Otherwise you will be exmatriculated!

At the beginning of your studies the Admissions Office will provide you with your student ID card. It comprises your ECUS (Electronic Card University of Stuttgart) and your semester mark. Your VVS semester badge for public transportation can be downloaded from the internet (see page 24).

Semester and monthly passes for public transportation
Stuttgart has a very good public transportation system. You can travel by Regionalzüge (regional trains), S-Bahn (commuter trains), U-Bahn (subway), or bus.

There are several fare zones (Tarifzonen) and each zone travelled through requires a fee. An overview of the VVS zones can be found at: www.vvs.de/neuer-vvs-tarif/tarifzoneneinteilung

Please note: Smartphone users can download the useful VVS app which can show you the train connections in Stuttgart and its surrounding area.
Important:
In order to use your student card as a transportation ticket from Mon–Fri after 6 pm and on weekends/public holidays you will need to print the VVS semester badge from the SSB’s website. A detailed guide can be found here: www.student.uni-stuttgart.de/studienorganisation/verwaltung/ studienausweise-ecus/
You need to use public transport all day? Then please remember that you need a StudiTicket, see below.

You need a semester or monthly ticket? Then you need a so called Verbundpass. Use an order form available at the IZ or in one of the sales offices of the SSB (Stuttgarter Straßenbahnen) or VVS (Verkehrsverbund Stuttgart). Fill in the order form and hand it in at one of the sales offices together with a passport photo and an enrollment certificate. Also bring your student ID card. We recommend that you visit one of the sales offices at the main train station (Arnulf-Klett-Platz 3), in Stadtmitte, or at Charlottenplatz. Here, the Verbundpass can be issued immediately, otherwise you have to expect a three week delay.

For the Verbundpass to be valid, you need to buy a monthly or a semester ticket at any VVS/SSB sales office.

- Monthly tickets with Verbundpass
  These tickets are valid for a one month period starting any time. The monthly ticket will only be valid for the zones that you specify. If you need a monthly ticket for September or March because you participate in the intensive German course at the IZ, you can get a provisional student identity card at the IZ to buy it at student price.

- The StudiTicket with Verbundpass
  If you pay approximately EUR 210 you can use the whole VVS transportation network without time limits and during the entire semester (Oct. 1 to March 31 or April 1 to Sept. 30). The StudiTicket contains a Verbundpass (including a passport photo) and a stamp, the so-called Wertmarke. It is possible to buy the StudiTicket online. For further information and online purchase check: www.vvs.de/studieticketonlinekaufen

- VVS 14 days trial ticket
  New citizens can travel free of charge in the VVS network for 14 days after their registration at the residents’ registration office. This requires a stay of minimum six months and a minimum age of 18. The trial ticket can be downloaded and printed after registration at the residents’ registration office via a coupon code. The link to the SSB ticket shop: www.ssb-ag.de/kundeninformation/willkommensgeschenk-fuer-neubuerger/
  Night buses operate on weekends. Most depart from Schlossplatz at 1:20 am, 2 am, 2:30 am, 3:10 am and 3:40 am in various directions.
  The S-Bahn operates once an hour on each line in the nights between Friday to Saturday and Saturday to Sunday and before holidays. Please refer to the time table of www.vvs.de

8 Personal liability insurance (Haftpflichtversicherung)

Unlike health insurance, personal liability insurance is not compulsory in Germany. However, we strongly recommend that you take one out. This insurance covers damage caused by you to persons or objects (e.g. a rented apartment), sometimes including even the loss of keys. The price ranges from EUR 30 to EUR 80 per year, depending on your family status. You can take out the insurance with a bank, an insurance company or online. Up-to-date price comparisons can be found online (with the search term Versicherungsvergleich).

In each dormitory internet access is available in the rooms. To use it, an extra fee of EUR 7 per month is charged by the student association Selfnet e. V. (www.selfnet.de). Selfnet e.V. manages the internet affairs for most dormitories (e.g. Allmandring, Heilmannstraße, Pfaffenhof, Straußäcker, Filderbahnhof). If you live in one of the dorms managed by Selfnet e. V. you should register online in order to use the internet: https://registrierung.selfnet.de/

Tip: Register online from your home country on the same day you are flying to Stuttgart. You are then able to use the internet immediately upon arrival. Of course you can also register at an internet café. You still need to go to one of the Selfnet e. V. offices in person within 14 days after your moving-in date.

Offices of Selfnet e. V.: Allmandring 8 a (basement), Holzgartenstr. 9 a (1st basement), Rosenbergstr. 68 (1st basement, across from the elevator), Heilmannstr. 4 b (entrance to the right side) und Filderbahnhof 35 (basement). Private accommodation in Stuttgart
It is not easy to find reasonably priced private accommodation in Stuttgart. For information go to: www.uni-stuttgart.de/en/study/living-in-stuttgart/housing

Ads for shared apartments (Wohngemeinschaften, WGs), as well as for other rooms and apartments can be found in the following newspapers and online papers:
• Stuttgart Wochenblatt (for check online) is delivered on Thursday afternoons without charge, but can be purchased Thursday mornings at newspaper stands: www.stuttgart-wochenblatt.de
• Stuttgart Zeitung and Stuttgart Nachrichten share the same ads section. Ads for apartments are usually printed on Wednesdays and Saturdays. http://immobilien.stuttgart-zeitung.de/

Some important abbreviations in the ads:
NK Nebenkosten (utilities), usually include: Heizung (heat), Wasser (water), Hausmeister (caretaker), Müll (garbage disposal)
WG Wohngemeinschaft (shared apartment)
NR Nichtraucher (non-smoking)
WM Warmmiete (heating included in utilities)
KM Kaltmiete (additional costs/utilities are not included)

You can also search online for a room in a shared apartment:
On these websites you can find offers but also publish your room hunting.
• www.wg-gesucht.de www.wg-suche.de www.wievaen.de
• www.studierendenwerk-stuttgart.de/privatzimmervermittlung
• www.immobilienscout24.de

Furnished flats or rooms for a few weeks or months can also be found at:
www.stuttgart-tourist.de + keyword Ferienwohnung
The most common online portal used by students is: www.wg-gesucht.de

Useful tips for applying for a room via "wg-gesucht.de":
1. Use the filter function. Consider cities around Stuttgart (Böblingen, Esslingen, Ludwigsburg) or districts of Stuttgart outside of the city center (with the VVS StudiTicket you can use the whole train network system). For the people in the Stuttgart region commuting 30 to 40 min is rather common.
2. Try to apply for new room listings within the first two hours of publishing: it helps, if you use the automatic notification function if there is a new offer fitting to the filter you have set. It is also helpful to download the app.
3. Prepare an application template so you can react quickly! Write about 200 words. If you show that you are the kind of person they are looking for, you are more likely to get the apartment.

Please note:
Not all housing offers in the internet are reliable, be aware of frauds!

Moving into a new apartment
Formalities in the case of an address change, even if within the same city, can be found at: www.student.uni-stuttgart.de/en/international/formalities

Broadcasting service fee
(Rundfunkbeitrag)
The Rundfunkbeitrag is a mandatory fee for receiving the state-funded radio and TV programs and has to be paid by every household, including in the student dorms. The fee amounts to EUR 17.50 per month independent of how many family members or flatmates live there. If you share an apartment you must therefore pay only a part of the full fee. You or one of your flatmates must register with the so-called ARD ZDF Deutschlandsradio Beitragsservice. The non-paying members have to inform the agency that their fee has already been collected under the registered person’s fee account number but do not personally register! More information and the registration/deregistration forms which need to be sent online can be found at: www.rundfunkbeitrag.de. Students living in the student dormitory, please also check: www.studierendenwerk-stuttgart.de/wohnen. Scroll to the bottom of the page and download the PDF in the corner on the right hand side.
Academic departments and campuses of the university

For information about these facilities see the next pages. An overview on the academic departments and institutes of the university you will find here: www.uni-stuttgart.de/en/university/faculties-institutes

To get to Vaihingen from the city center take the S-Bahn S 1 (direction Hohenheim) or the S 2 or S 3 (direction Vaihingen or Flughafen/Filderstadt). Get off at the stop Universität. Take the exit Universitätszentrum.

Semester break and holidays (Vorlesungsfreie Zeit)

The time between lecture periods is called vorlesungsfreie Zeit, but it should not be considered as a holiday period. Examinations, compact courses, and excursions often take place during this period. Many offices of the university are closed or have shorter office hours. Between Christmas Eve (December 24) and Epiphany (January 6), there are no lectures. During the summer semester, there is usually a one week break after Whitsun (in May or June).

If you want to travel or participate in an internship during the vorlesungsfreie Zeit, you should check the dates of your exams or deadlines before planning your trips.

The university course catalog

The courses offered at the University of Stuttgart are described in C@MPUS (www.uni-stuttgart.de/campus/studierende/dokumentation/stundenplanerstellung_de.pdf).

Some study programs in humanities offer an annotated course catalog with detailed course descriptions at: www.student.uni-stuttgart.de/en/organizing-studies/lecture-index as well as module handbooks on the website for the study programs.

Introductory programs for new students

If you are a degree student, do not miss the introductory session of your study program! It usually takes place the first day of the lecture period. The times and dates can be found online: www.student.uni-stuttgart.de/en/startingout/introduction/

An orientation program for international students takes place in the week before the lectures start and includes e.g. information sessions in small groups. Please register in person at the IZ. www.student.uni-stuttgart.de/en/startingout/international/orientation-days

For participants of the intensive German course in March/September the orientation program is included in the course.

Academic guidance

General academic guidance for degree students is offered by the Student Counseling Center (ZSB): www.uni-stuttgart.de/en/study/counseling/zsb/

Subject specific guidance is available in each department by the Fachstudienberaterin/Fachstudienberater and/or the Studiengangmanagerin/Studiengangmanager: www.uni-stuttgart.de/en/study/counseling/academic-advisors/

The International Office at the IZ organizes academic counseling for exchange students from overseas. The students receive detailed information after their arrival in Stuttgart. Erasmus+ students receive academic counselling from the academic Erasmus+ coordinator at the University of Stuttgart. Master’s students in international Master’s programs obtain course information from their course directors.
Examinations

Examinations, whether oral or written, usually take place during the lecture free period (vorlesungsfreie Zeit). Degree-seeking students must register for examinations via C@MPUS. The registrations can be found at www.uni-stuttgart.de/pruefungsamt/termine/anmeldetermine/index.en.html

Please note: Exchange students need to sign up for an exam in C@MPUS. We strongly recommend that you ask your professor for the type (oral or written) and date of the examinations at the very beginning of the classes.

However, you are responsible for finding an internship yourself.

Exchange students from overseas, who are interested in doing an internship following their studies at the University of Stuttgart need to contact the International Office at the beginning of June for placements in the winter semester or at the beginning of December for placements in the summer semester. The tips in Work permit and how to find a job on page 43 could also be helpful.

Work permit and how to find a job

It is possible to work part-time while studying at the University of Stuttgart. Students from non-EU countries are allowed to work a maximum of 20 hours per week as a student assistant (Hiwi) at the university plus 120 full (8 h) or 240 half days (4 h) per year. This must be stated explicitly in the additional sheet of the eAT. When you receive your residence permit, see page 42, make sure that this entry is included.

For international students, the most convenient way is to work as a student assistant (studentische Hilfskraft/Hiwi) at an institute of the university. Look for bulletins posted around campus, online or inquire directly at the respective secretary’s office. The institutes, the university library, computer pools and Studierendenwerk also offer Hiwi positions online: www.stellenwerk-stuttgart.de

Also inquire at the employment agency (Agentur für Arbeit) on temporary work for students, for example in restaurants, or as unskilled labour in factories, warehouses or firms.

If you want to work in Germany, your employer will ask you for an (electronic) tax card (elektronische Lohnsteuerkarte or Ersatzbescheinigung). If you take up work in Germany for the first time, this tax card is available at the tax office (Finanzamt, Stuttgart: Rotebühlplatz 30). You also need a social security number (Sozialversicherungsnummer) which you can apply for through your state health insurance provider. If you are single and do not have children, you may earn up to EUR 450/month without having to pay taxes and contributions towards unemployment-, pension-, etc. insurance. If you pay tax, you may get (part of) it back if you apply for a tax back through an income tax statement (Einkommenssteuererklärung).

Everyday information
Medical care/psychological counseling

German universities do not provide medical service on campus. Doctors, dentists, and hospitals can be found online at: www.arztsuche-bw.de. This website also gives you information on doctors who speak other languages than German. Please use the button „Zur erweiterten Suche“ and choose your language in the search criteria Fremdsprache.

Generally speaking you have to make an appointment to see a doctor in case you are ill. Some general practitioners also have open office hours. In case of an emergency at night or on weekends you can go to the Emergency Medical Service of Stuttgart doctors at the Marienhospital (address see page 10).

In order to receive treatment you need to either present your health insurance card from one of the state health insurance providers, your EHIC, or show the certificate from your private health insurance company. State health insurance providers pay the medical treatment directly to the doctor/hospital. Private insurances have a different payment system. Usually you will have to pay the bill first and ask for reimbursement at the health insurance provider. Make yourself familiar with the specific regulations of your own health insurance before you see a doctor.

Prescribed medication can be picked up at any pharmacy/chemist’s (Apotheke). If you have mandatory student health insurance you usually have to pay a contribution between EUR 5 and EUR 10 for each prescription. In case of private insurance, the company might also pay for all prescribed medication. Check your contract.

Psychological counseling for students is offered by the counseling center of the Student Services (Studierendenwerk Stuttgart) free of charge (in German only). For appointments please call: Tel. 0711 95 74-480 (Mon–Thu 1:30 pm–2.30 pm)

Further information: www.studierendenwerk-stuttgart.de/en/counselling/psychotherapeutic-counselling/

Statutory accident insurance for students

Every enrolled student is statutorily covered by accident insurance free of charge. The coverage applies:

- during straight walk to the university or back,
- when attending lectures and seminars,
- during other activities run by the university such as visits, workshops and sports,
- when visiting the library or sports program from the university,
- when participating in trips organised by the university including those abroad,
- when participating in student council or stuvus activities.

If you have an accident during one of these occasions, please address the Admissions Office (page 8). For further information please visit the following website: www.studierendenwerk-stuttgart.de/en/counselling/insurances/
