2. Getting started Checklist

The following checklist makes your start in Stuttgart much easier. Please be sure to take the following steps in the order given below. This will save you time, money and frustration.

2.1 Accommodation

Student housing

For students of the University of Stuttgart there are two dormitory providers on campus: the Studierendenwerk Stuttgart and the VSSW. Please remember that booking rooms for couples or families in these dormitories is not possible.

Students who have received their moving-in letter with a room offer [Einzugsschreiben] from Studierendenwerk Stuttgart (Student Services) or VSSW need to accomplish several steps upon arrival.

You can move into your dorm room only from Monday to Friday. Should the first day of your moving-in month be on a weekend, you can move in on the first following working day. For moving into your dorm room, it is necessary for you to arrange an appointment with the respective caretaker [Hausmeister]! Information on how to contact him can be found in your moving-in letter [Einzugsschreiben] which you have received from the Studierendenwerk or VSSW. Please consider that you have to pick up your dorm key in person. It is not possible to have someone collect your room key before your arrival.

According to current information the following offices can only be contacted by telephone or (recommended!) by email:

Office of the VSSW: www.vssw.de
Offices of the caretakers see moving-in letter or visit www.studierendenwerk-stuttgart.de/wohnen/wohnanlagen/ (caretakers of the Studierendenwerk)

Office run by Selfnet e.V. (for internet access in the dormitories) www.selfnet.de/

Due to the corona pandemic, personal registration is not possible for the time being. The registration can be done via the website register.selfnet.de. You will need internet access, a rental contract from the Studierendenwerk Stuttgart (SWS) or the VSSW, a valid e-mail address and, if available, an European bank account. If you do not have a bank account at the time of registration, you can submit your data within the next 14 days. A “passive membership” starts automatically after the registration. The membership does not end automatically and must be applied for. The resignation is possible at the end of each month. A 7 € membership fee for the current month will apply immediately. If the next month starts within 14 days, the membership fee will be calculated for the next month.

Please check the duration of your tenancy in your tenancy agreement. If it is incorrect, please contact the Studierendenwerk or VSSW immediately. You will find the contact address of the responsible person in your moving-in letter [Einzugsschreiben]. Exchange students should contact the International Office.

You have got a room in one of the dormitories managed by Studierendenwerk Stuttgart?

Please consider the different procedures for exchange students and participants of our international Master’s programs.

- All international students – except for international program and exchange students:

  Go to the caretaker’s office [Hausmeisterbüro], for address see your moving-in letter, and receive your dorm key – prerequisite: you have transferred your deposit of EUR 400 and e-mailed your signed tenancy agreement to Studierendenwerk Stuttgart by the deadline given in your moving-in letter and you have arranged an appointment beforehand. As proof of your identity please present your passport and a copy of your tenancy agreement.

- Exchange students from overseas, participants of our Double Master’s and international Master’s programs:

  Go to the caretaker’s office [Hausmeisterbüro], for address see moving-in letter, and receive your dorm key – prerequisite: you have transferred your deposit of EUR 700 (including a rental share of EUR 300) to Studierendenwerk Stuttgart by the deadline given in your moving-in letter and you have arranged an appointment beforehand. The [Hausmeister] will provide your tenancy agreement on-site which you have to sign. As
proof of your identity please present your passport and a copy of your tenancy agreement.

As soon as you have opened your bank account in Germany, please fill in your SEPA direct debit authorization [SEPA-Lastschrift] and hand it in to the caretaker’s office. You should have received the SEPA form together with your tenancy agreement. Otherwise you can ask the responsible clerk at Studierendenwerk Stuttgart (for e-mail address see tenancy agreement) to send you a new one. With the SEPA authorization your monthly rent can be debited automatically from your bank account.

New tenants of Studierendenwerk Stuttgart have the opportunity to purchase bed linen and coverlets from the [Hausmeister] of their student dorm for EUR 50 (no availability guaranteed). This payment is withdrawn automatically from your bank account along with the first payment of rent. For participants of the international Master’s programs bed linen and coverlets are already included in the room rent.

You have got a room in one of the dormitories managed by VSSW?

Go to the caretaker’s office ([Hausmeisterbüro], address see your moving-in letter) to receive your dorm key - prerequisite:

As a student from a European SEPA country you have authorized VSSW to debit your bank account with the deposit of EUR 400 and the monthly rates of your rent by using the SEPA form. In addition, you have sent back the signed rental agreement by the deadline given in your moving-in letter.

As a student from any other country you have transferred the deposit of EUR 400 to VSSW and have sent the signed rental agreement by this deadline. As proof of your identity please present your passport and a copy of your tenancy agreement.

The monthly rent will be debited automatically from your bank account. In case you have already transmitted the SEPA authorization to VSSW no more steps need to be done. Otherwise you are required to open a bank account in Germany and to fill in the SEPA authorization form – please check your moving-in letter for the link to the form.

International students moving to a dormitory managed by VSSW can purchase bedlinen and coverlets from the [Hausmeister] for EUR 55.

Private accommodation

If you live in a private accommodation, you will also have to sign a tenancy agreement and pay a deposit. Please check with your landlord. In order to register with the residents’ registration office, your landlord has to fill in an extra registration form for you [Wohnungsgeber-Bescheinigung].
If you need to look for private accommodation you can check our information on our homepage.

### 2.2 Health insurance

By the time of enrollment all students are required to show proof of health insurance. Please consider the different requirements for EU and non-EU citizens.

For the request of a health insurance you need:

- Letter of admission [Zulassungsbescheid] as a Bachelor’s, Master’s or exchange student
- A passport sized photo (for your health insurance card)
- Your IBAN, only from German bank accounts (can be provided later)

**Health insurance for citizens from non-EU countries**

Non-EU students under the age of 30 have to purchase a mandatory student health insurance at a state health insurance provider. This insurance costs about EUR 110 per month and covers most medical and dental cost including hospital treatment. An advantage of this insurance is that the cost of treatment is carried out directly between the doctor and the insurance company. For prescriptions you will have to pay a fee between EUR 5 and EUR 10 at the pharmacy.

All students under 30 years who have already obtained private health insurance through their scholarship program (e.g. Erasmus Mundus students, DAAD scholarship holders) must get a waiver from any of the state health insurance providers. A certificate of the waiver has to be presented by the time of enrollment and of applying for a residence permit.

**Please note:**

The student health insurance only comes into effect with the enrollment (at the earliest from October 1 or April 1, when the semester starts).

All non-EU students over 30 years of age must take out a private health insurance. Please consult the IO if you need further information.
Special corona information

**Students coming to Stuttgart:** In times of corona, you can register for your health insurance online. Please check the different state health insurance providers below and inform yourself about the different offers and services. After you have decided which health insurance provider you want to go for, you can visit their website and apply online. You have to upload your letter of admission at the end. Please remember to provide your health insurance with your certificate of enrollment as soon as you have been enrolled by the university.

**Students who stay at home** do not need to take out a German health insurance for a successful enrollment. You are only required to take out one once you have arrived in Germany. Non-EU citizens who have to delay their travels due to the COVID-19 to a later point in time during the semester only have to pay for their health insurance starting from the month of their arrival in Germany. E.g. should you come to Stuttgart in February 2021 you will only have to pay from this month onwards (and not for the whole semester as it is usually required). In order to arrange this special scheme please contact your state health insurance provider.

If you arrived in Stuttgart in November and have already paid your health insurance from October onwards you can apply for a refund with the health insurance provider. Please contact your state health insurance provider for further information on how to apply for the refund.

**Health insurance for EU citizens**

As an EU citizen you are required to bring a European Health Insurance Card (EHIC) from your insurance provider in your home country. You will need an electronical scan of the EHIC. In order to enroll, you will have to upload it to the application platform C@MPUS after your arrival. Please make sure to always carry the original card with you. You will receive necessary medical treatment at a doctor, dentist or in hospital with your EHIC. For prescriptions you will have to pay a fee between EUR 5 and EUR 10 at the pharmacy. If you do not have the EHIC, you are required to take out a student health insurance.

**Please note:**

EU nationals who take on a mini-job, a working student job or a paid internship during their studies must take out a compulsory German health insurance.
Special rules and exceptions

All those students from countries that have a social security agreement [Sozialversicherungsabkommen] with the EU (like Turkey, Bosnia and Serbia) need to present a copy of their current health insurance to a German state health insurance provider (e. g. AOK, TK). Then they will receive an exemption from the obligation to have mandatory student health insurance [Befreiungsbescheinigung], which is required for the enrollment.

The social security agreement applies to both exchange and degree-seeking students. Please contact your health insurance provider in your home country to obtain the necessary form. It is important that the document is valid for the entire duration of your stay at the University of Stuttgart.

Travelling outside of Germany

If you plan to travel outside Germany we recommend that you take out a travel health insurance for a fee of about EUR 15 (available at most banks or health insurance companies).

2.3 Residence registration

Everybody staying in Germany for longer than 90 days is required to register with the residents’ registration office [Bürgerbüro] in their place of residence within fourteen days upon arrival. You will be provided with a confirmation of your registration, the so-called [Meldebestätigung]. You need this document for opening a bank account and to obtain a residence permit. You can fill out the application form at home and bring it with you to the residents’ registration office.

The following documents must be provided:

- Your passport or ID card
- Registration form [Anmeldung], filled out and signed, available at the IZ, from the [Hausmeister], at any [Bürgerbüro] or online at www.stuttgart.de/medien/lbs/meldeschein.pdf
- Form Wohnungsgeber-Bescheinigung = a confirmation that you have moved in signed by your landlady or landlord or your moving-in letter [Einzugsschreiben] from the Studierendenwerk/VSSW. You can find the document online

Special corona information

Normally, you visit any residents’ registration office during their office hours and register. Due to corona, some residents’ registration offices offer only limited office hours or you are required to book an appointment online. Please check the restrictions on the individual offices online beforehand

You can register with any Bürgerbüro in Stuttgart if you live in Stuttgart. We usually recommend you register at the closest one to where you live.

Please bear in mind that you are required to wear a facial mask if you go to the residents’ registration office in person.
Addresses in Stuttgart:

- Addresses of further [Bürgerbüros] you will find here.

2.4 Opening a bank account

You must have a German bank account, a so called personal checking account [Girokonto], in order to pay bills and participate in the direct debit procedure, which means that the money will be taken out of your account automatically at the right time. The rent of the student dorm as well as your health insurance can only be paid by using the direct debit procedure.

You can open a personal checking account in person at a local bank or at an online bank [Direktbank]. Usually at an internet bank you can open a bank account rather promptly. However, they offer hotline support only, whereas at a local bank you will have immediate support in person if you experience problems. However, when opening a bank account at a local bank, you will usually need an appointment and you may have to wait up to three weeks time. All local banks offer online banking.

Please make sure to inform yourself about the process of opening an account with the local bank of your choice. Some banks might have the option of opening a bank account online or offer online consultation instead of appointments in person in the current situation.

When opening a bank account, you will need:

- Proof of your residence registration (see No. 3 above)
- Your passport (EU: identity card)
- Letter of admission from the University of Stuttgart in order to get a cheaper bank account designed for students
- Usually it is possible to hand in your residence permit and your enrollment certificate of the university at a later point.

Examples (no recommendations!) for internet banks:

- Comdirect, www.comdirect.de
- DKB, www.dkb.de
- ING, www.ing-diba.de
- Norisbank, www.norisbank.de
- N26, https://n26.com/de-de

Examples (no recommendations!) of local banks, which also have an office in Vaihingen:
Upon opening a checking account, you can order a bank card with which you can withdraw cash without charge 24/7 from any of your bank’s ATM.

Please note:
When withdrawing cash from a bank other than yours you may be charged extra fees! Please inform yourself when opening a bank account which cash machines you can use and how many times you can take out money for free.

Do you have a blocked account?

Please follow the instructions given by your bank. Additionally, we recommend that you open a regular personal checking account that has no limitations. You may transfer the maximum monthly amount from your blocked account by standing order to your regular checking account. Then you will be able to carry out transfers and authorize the Studierendenwerk Stuttgart/VSSW to withdraw your monthly rent. Fill out the SEPA direct debit authorization form (SEPA Lastschrift obtained by the [Hausmeister]) for the payment of your rent. Please hand it in to the [Hausmeister] of your dormitory as soon as possible.

Do you already have a bank account within a European country?

We still recommend that you open a German bank account. Only if you definitely do not need to use the direct debit procedure (see above) and you are in Germany for only a short time, it might not be necessary to open a bank account.

2.5 Residence and work permit

As a rule, non-EU citizens have to apply for a residence permit. The document is called eAT ([elektronischer Aufenthaltstitel] = electronic residence permit). We strongly recommend that you apply for your eAT within the first two weeks of your arrival. The production of your eAT takes about four weeks. When applying for your eAT, the residents’ registration office will let you know when you will receive it. The eAT usually consists of a chip card and the supplementary sheet.
Important:
There are important data of your chip card on the supplementary sheet, e.g. the temporary residence permit. We recommend that you always carry this supplementary sheet with you.

Prerequisite for the enrollment at the university is your residence permit (eAT). However, your eAT is not available by the time of enrollment. Thus the foreign registration office in Stuttgart provides you with a preliminary confirmation of an authorized residence permit [Vorläufige Bescheinigung über einen bewilligten Aufenthaltstitel] after you have applied for your eAT.

In the following a distinction is made between non-EU citizens who do not require an entrance visa for Germany and non-EU citizens who require an entrance visa.

Non-EU citizens who require an entrance visa

Students from countries for which an entrance visa is required must have a student visa which has been issued by the German embassy in their home country.

If your visa does not cover the whole period of your stay, you need to apply for a residence permit (eAT) with the foreign registration office [Ausländerbehörde] of your place of residence upon arrival. In order to apply for a residence permit (eAT) in Stuttgart, please send your documents via e-mail to the foreign registration office [Ausländerbehörde] and attach your documents. The foreign registration office [Ausländerbehörde] will guide you regarding the following steps including paying the EUR 100 handling charge. Required documents see below.

Exception for exchange students:

If your visa covers the whole period of your stay you do not need to apply for a residence permit (eAT).

Non-EU students who do not require an entrance visa

Citizens from, for example, Australia, Brazil, Canada, Japan, South Korea and the USA may enter Germany without a visa. However, you have to apply for a residence permit (eAT) at your place of residence upon arrival. In order to apply for a residence permit (eAT) in Stuttgart, please send your documents via e-mail to the foreign registration office [Ausländerbehörde]. The foreign registration office [Ausländerbehörde] will
guide you regarding the following steps including paying the EUR 100 handling charge.

The following documents must be provided for the foreign registration office:

- Completed and signed eAT application form
- Your passport
- Your visa (if applicable)
- One biometrical photo (see page <ÜS>)
- Letter of admission [Zulassungsbescheid] from the University of Stuttgart
- Proof of sufficient funds (minimum EUR 861 per month) e. g. a bank statement from a German account or a scholarship letter
- Health insurance confirmation [Versicherungsbescheinigung] from a German health insurance provider
- Confirmation of registration [Meldebestätigung] (see residence registration).
- EUR 100 handling charge – exchange students need a written confirmation issued by the International Office for a waiver

Biometrical photos are special photos required by the foreign registration office and must be taken by a photographer. Ask for addresses of photographic shops at the IZ. Ordinary passport photos do not fulfil the criteria of biometrical photos. Further information.

You can find a guideline on the application for a residence permit as well as all required forms online.

Re-entry is not possible upon stays abroad lasting longer than six months. We strongly recommend that you contact the International Office or the foreign registration office, if you wish to leave Germany for more than just a few weeks.

Work permit

Students who are citizens of EU countries can work a maximum of 20 hours per week in accordance with the applicable laws for German students. Students with other nationalities may only work under certain conditions. For further information and on how to find a job, please refer to page job please refer to our Welcome Guide, p. 28.

As soon as you have travelled to Stuttgart, you are required to hand in your visa and your health insurance. If you do not have the European Health Insurance Card you are required to take out a local student health insurance. Concerning the payment of the student health insurance please see above Special corona information, p. 8.

After you have successfully enrolled via e-mail or postal mail the Admissions Office will provide you with your student ID card. It comprises your ECUS (Electronic Card University of Stuttgart) and your semester mark. Your VVS semester badge for public transportation can be downloaded from the website of the Admissions Office.

2.7 Semester and monthly tickets for public transportation

Special Corona information – important

At stations and in all public transport vehicles facial masks are obligatory!

Stuttgart has a very good public transportation system. You can travel by [Regionalzüge] (regional trains), S-Bahn (commuter trains), U-Bahn (subway), or bus. There are several fare zones [Tarifzonen] and each zone travelled through requires a fee. An overview of the VVS zones can be found online.

Please note:

Smartphone users can download the useful VVS app which can show you the train connections in Stuttgart and its surrounding area. You can also buy your ticket online.

Important:

In order to use your student card as a transportation ticket from Mon–Fri after 6 p.m. and on weekends/public holidays you will need to print the VVS semester badge from the SSB’s website. A detailed guide can be found here.

You need to use public transport all day? Then please remember that you need a StudiTicket/semester ticket, see below.

You need a semester or monthly ticket?

Then you need a so called [Verbundpass]. Use an order form, in one of the sales offices of the SSB [Stuttgarter Straßenbahnen] or VVS [Verkehrsverbund Stuttgart] or the welcome package of the IO. Fill in the order form and hand it in at one of the sales offices together with a passport photo. Also bring your student ID card. We recommend that you visit one of the sales offices at the main train station (Arnulf-Klett-Platz 3), at Stadtmitte, or at Charlottenplatz. Here, the [Verbundpass] can be issued immediately, otherwise it will be sent to you by mail later.

For the [Verbundpass] to be valid, you need to buy a monthly or a semester ticket at any VVS/SSB sales office.
Monthly tickets with Verbundpass

These tickets are valid for a one month period starting any time. The monthly ticket will only be valid for the zones that you specify. You can buy the monthly ticket online.

The StudiTicket/semester ticket with Verbundpass

If you pay approximately EUR 210 you can use the whole VVS transportation network without time limits and during the entire semester (Oct. 1 to March 31 or April 1 to Sept. 30). The [StudiTicket] contains a [Verbundpass] (including a passport photo) and a stamp, the so-called [Wertmarke]. It is possible to buy the [StudiTicket] online. For further information and online purchase check: en.vvs.de/tickets/studiticket/

VVS 14 days trial ticket

New citizens can travel free of charge in the VVS network for 14 days after their registration at the residents’ registration office. This requires a stay of minimum six months and a minimum age of 18. The trial ticket can be downloaded and printed after registration at the residents’ registration office via a coupon code. You may ask for the code at the residents’ registration office. The link to the SSB ticket shop.

Night buses operate on weekends. Most depart from Schlossplatz at 1:20 am, 2 am, 2:30 am, 3:10 am and 3:40 am in various directions.

The S-Bahn operates once an hour on each line in the nights between Friday to Saturday and Saturday to Sunday and before holidays. Please refer to the time table of www.vvs.de/nachtverkehr

2.8 Broadcasting service fee (GEZ)

The Rundfunkbeitrag is a mandatory fee for receiving the state-funded radio and TV programs and has to be paid by every household. The fee amounts to EUR 17,50 per month (As of January 2021 the amount will increase to EUR 18,36) independent of how many family members or flatmates live there. If you share an apartment you must therefore pay only a small part. You or one of your flatmates must register with the so-called ARD ZDF Deutschlandradio Beitragsservice. The non-paying members have to inform the agency that their fee has already been collected under the registered person’s fee account number but do not personally register! More information and the registration/deregistration forms which need to be sent online can be found at: www.rundfunkbeitrag.de. Students living in the student dormitory, please also check the Broadcast Service Information here.
2.9 Personal liability insurance

Unlike health insurance, personal liability insurance is not compulsory in Germany. However, we strongly recommend that you take one out. This insurance covers damage caused by you to persons or objects (e.g. a rented apartment), sometimes including even the loss of keys. The price ranges from EUR 30 to EUR 80 per year, depending on your family status. You can take out the insurance with a bank, an insurance company or online. Up-to-date price comparisons can be found online (with the search term [Versicherungsvergleich Haftpflichtversicherung]).

Semester break and holidays

[Vorlesungsfreie Zeit]

The time between lecture periods is called [vorlesungsfreie Zeit], but it should not be considered as a holiday period. Examinations, compact courses, and excursions often take place during this period. Many offices of the university are closed or have shorter office hours. Between Christmas Eve (December 24) and Epiphany (January 6), there are no lectures. During the summer semester, there is usually a one week break after Whitsun (in May or June).

If you want to travel or participate in an internship during the [vorlesungsfreie Zeit], you should check the dates of your exams or deadlines before planning your trips. Please also mind any travel restrictions due to the current corona situation.
5. Dining halls and cafeterias

[Mensen und Cafeterien]

The Student Services [Studierendenwerk Stuttgart] operate several cafés on both university campuses. Cafeterias are usually open between 8:30 a.m. and 4:30 p.m. Dining halls [Mensen] are usually open only between 11:15 a.m. and 2:15 p.m. Every day there are different dishes to choose from which cost between EUR 4 to EUR 6. As well as providing lunch at a reasonable price, the dining halls serve as general meeting points and information centers. You can find almost anything on the bulletin boards [Schwarzes Brett] where flyers and posters inform students about events, sales, rooms for rent etc.
